

CERTIFICATE OF ATTENDANCE

Reproductive Health Refresher Training

This **8-hour refresher workshop** is designed for healthcare professionals involved in reproductive health and family planning who wish to **update their knowledge, refresh counselling skills, and remain aligned with current evidence-based practice**. The course supports integrated, rights-based reproductive healthcare and practical service delivery improvements.

On achieving competence, learners will be able to do the following *(within their scope of practice)*:

- Apply current reproductive health policies, ethical principles, and rights-based approaches to care
- Strengthen counselling skills for contraception and family planning services
- Integrate TB, HIV, and chronic disease considerations into reproductive health care
- Use service monitoring tools to support informed choice and quality care
- Demonstrate updated knowledge of contraceptive options, including barrier and emergency method
- Apply learning through practical case-based scenarios

Duration: 8 hours in total
EFHA CPD No: SAMA MDB015/MPDP/071
Course CPD No.: On request prior to training
CPD (CEUs): On request prior to training
